

# FIRM STRUCTURE CHANGE FORM

---

The purpose of this form is to assist firms required to be enrolled in a practice monitoring program. Use this form to notify us of firm or employment changes that may impact your peer review and/or the firm's enrollment in peer review. For assistance with this form, please contact your appropriate Peer Review Alliance scheduling manager as indicated on page 12 of this form. You may also contact the AICPA Peer Review Hotline at 919-402-4502.

## **Change Form Instructions**

- Complete the pages most appropriate for your firm's situation. **Please read the *Description of Changes* FIRST to ensure you complete the section that is the most appropriate.** Each section contains an area for comments to include additional information pertinent to your situation, if necessary.
- **Please print legibly or type this information.** This form can also be found on our website at AICPA.org.
- The Peer Review Program only applies to the accounting and auditing (A&A) portion of a firm's practice and excludes tax or management consulting services. Refer to paragraph .06 of the Peer Review Standards for a complete listing of the A&A engagements that are in the scope of the Peer Review Program. Also, engagements subject to permanent inspection by the PCAOB as described in Interpretation 6-9 of the Peer Review Standards Interpretations are excluded from the scope of the Peer Review Program. **Therefore unless otherwise stated, use of the term "A&A" throughout this form ONLY applies to those engagements in the scope of the peer review program as described above.**
- If you need assistance in completing this form, please contact the Peer Review Alliance. **Email the completed pages of this form to the appropriate Peer Review Alliance state scheduling manager as indicated on page 12 of this form.**
- **If your change results in the creation of a new public accounting firm, please complete the [Public Accounting Firm Creation Form](#) and submit it along with this form to your Administering Entity.**

NOTE: All change forms must go through the administering entity for verification purposes. Once the Peer Review Alliance determines the form has all required information, it will be forwarded to the AICPA. AICPA staff determines the impact to the firm's (firms') peer review(s) on a case by case basis.

## **Description of Firm Changes**

### **Change in Employment**

Page 3

If you are moving between public accounting firms, retiring or changing your industry, complete this section. Note: If you are leaving or joining a public accounting firm, and A&A hours of either firm are impacted by this change, this is considered a Firm Dissolution or Firm Merger for the purpose of peer review. Please complete the Firm Dissolution/Change in Ownership or Firm Merger section instead of this section. If you are leaving or joining a public accounting firm and the A&A practice of either firm is NOT impacted, please complete this section.

### **Firm Name Change**

Page 5

If your firm is undergoing a firm name change due to one of the following, complete this section:

- A partner is leaving the firm and the departure is not impacting the A&A hours of this firm.
- A partner is joining the firm and the addition is not impacting the A&A hours of the firm.
- A staff member has been promoted to partner impacting the firm name.
- A firm name is changed for commercial purposes (i.e. PLLC, LLC, PC) or marketing purposes

If the firm name change is for any other reason, please check the descriptions below to determine if they apply to the change.

Note: If a partner is leaving the firm and none of the A&A hours remain with the firm, complete either the Firm Purchase or Firm Sale section. This category should NOT be completed if you are an individual changing firms/jobs. The Change in Employment section should be used.

**Firm Dissolution or Change in Ownership**

**Page 6**

For peer review purposes, a dissolution of the A&A practice occurs when a partner(s) leaves a firm and a portion of the hours do not remain with the firm. When this occurs, the AICPA will determine whether there is a successor firm and whether any new firms are formed. This decision is made by evaluating the status of the A&A engagements performed in the 12 month period prior to the effective date of the dissolution. The 12 month period should only include engagements with periods ended during the 12 months prior to the dissolution where the reports on those engagements have been issued. The status of the partners, and possibly staff, in addition to other relevant information is also factored into the decision. Note: Change in ownership for peer review purposes is any change in the firm’s ownership that affects the A&A hours in the firm.

The Peer Review Alliance and the AICPA will not be responsible for determining if the information submitted is accurate. If conflicting information between parties is submitted, all affected firms will be considered new firms for peer review purposes and none of the firms will be given successor firm status which would include peer review history.

**Firm Merger**

**Page 8**

If your firm is combining with another firm, complete this section. This includes situations where a partner has left one firm or a firm was dissolved, and that partner is joining another firm and bringing A&A engagements with him/her.

**Firm Purchase**

**Page 10**

If your firm is purchasing another firm, complete this section.

**Firm Sale**

**Page 12**

If you are selling your practice, complete this section.

Please review the information below regarding firm mergers, purchases and sales.

**IMPORTANT INFORMATION RELATED TO A FIRM MERGER, PURCHASE OR SALE:**

For peer review purposes, a Firm Merger is when two or more firms begin to practice as one firm. This may also include one firm acquiring another firm, including owners and engagements. The resulting firm’s status and due date for peer review will be determined by the AICPA, on a case by case basis, based on the information provided.

For peer review purposes, a Firm Purchase/Sale is when a firm purchases the A&A practice from another firm (or firms). This ordinarily means a partner has sold his or her A&A practice to another firm and retired, or becomes an employee (non-owner). The nature of each firm’s practice will determine whether the purchasing firm is deemed a successor firm or a new firm and the peer review due date.

In completing this form, each original firm should calculate the A&A hours that are being brought to the “combined” firm. The percentage of the A&A hours should be calculated based on the A&A hours for the engagements performed with reports issued by the original firms in the 12 month period prior to the effective date of the merger. The 12 month period should only include engagements with fiscal year ends during the 12 months prior to the dissolution of the original firms where the reports on those engagements have been issued. There should be agreement as to the number and percentage of hours that each firm is contributing to the “combined” firm. The firm’s status and due date for peer review will be determined by the AICPA based on this information on a case by case basis.

## **Change in Employment**

This section of the form should be completed if you are moving between public accounting firms, retiring or changing your industry.

If you are leaving or joining a public accounting firm and the A&A practice of either firm is NOT impacted, please complete this section. Also individuals that are no longer partners due to retirement or a change of industry (i.e. public accounting to private accounting), should complete this section. If you are leaving or joining a public accounting firm and A&A hours are impacted, this section should ONLY be completed in conjunction with other applicable sections that address the change (firm merger, dissolution, sale or purchase.)

If you primarily serve in an Education or Business Industry capacity and also perform public accounting related services which require practice monitoring, for the purposes of peer review, you will need to reflect your business category as Public Accounting.

## **Firm Dissolution or Change in Ownership**

For peer review purposes, a dissolution of the A&A practice occurs when a partner(s) leaves a firm and a portion of the A&A hours do not remain with the firm. When this occurs, the AICPA will determine whether there is a successor firm and whether any new firms are formed. The decision is made by evaluating the percentage of A&A hours calculated on engagements with periods ended during the 12 months prior to the dissolution, The status of the partners, and possibly staff, in addition to other relevant information is also factored into the decision. This also applies in the event of Change in Ownership.

In order to make the appropriate changes, you **MUST** provide all the information needed **including contact information for all parties.** It is preferable for all involved partners to discuss A&A percentages and be in agreement PRIOR to submitting this form. The consolidated total **MUST equal 100%** in order to properly complete this section. The administering entities and the AICPA will not be responsible for determining if the information submitted is accurate. If conflicting information is submitted, all affected firms will be considered new firms for peer review purposes and none of the firms will be given successor firm status which would include peer review history.
