The Illinois CPA Society's Governmental Report Review Committee has adapted the Government Finance Officers Association's *General Purpose Checklist* ©2001, 2006, 2008, & 2015 (designed for its Certificate of Achievement for Excellence in Financial Reporting Program; used with permission) for its own use in fulfilling its mission to improve governmental financial accounting and reporting by Illinois CPAs. This checklist incorporates all GASB standards through GASB Statement No. 73 – Accounting and Financial Reporting for Pensions and Related Assets that are not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68, and GASB Statement No. 76 – The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments, and GASB Statement No. 79 – Certain External Investment Pools and Pool Participants.

The Society would like to thank the current and former members of the Governmental Report Review Committee for their assistance and contributions to this particular checklist. Please send comments and suggestions to guajardoo@icpas.org.

This review consists of four stages: I. Overall cursory review (for order and completeness); II. Detailed statement and note review (page by page); III. The Independent Auditors' Report; and IV. Wrap-up or general questions, based on I thru III, is the report complete and correct?

STAGE III – THE INDEPENDENT AUDITORS’ REPORT

In general refer to AU-C* 700 – Forming an Opinion and Reporting on Financial Statements. This section contains “AU -C ” section numbers instead of “AU” section numbers. As part of the clarification of the SASs, the AU section numbers as designated by SAS Nos. 1—121 were recodified and “AU -C ” was selected as an identifier in order to avoid confusion with references to superseded “AU” sections. Superseded “AU” sections were deleted from AICPA Professional Standards in December 2013, by which time substantially all engagements for which the “AU” sections were still effective were expected to be completed.
