BONUS

Deep Dive Pre-Conference Half-Day Workshop | June 7, 2017

New Partnership Audit Rules and State Tax Conformity

Partnership audits are changing! Dissect the details of the new IRS rules before they go into effect in 2018, including their impact on: tax collection, penalties, interest, elections and representatives.

Additionally, the Bipartisan Budget Act of 2015 has presented several state tax conformity complexities. Dig into the key challenges states are facing and discuss the various adoption considerations for partnerships. (See below for registration details.)
