

Professional Ethics: The AICPA's Comprehensive Course

Illinois CPA Society Member Price \$99

Illinois candidates are required to pass a separate examination on the rules of professional conduct before they are issued an Illinois CPA Certificate. This on-demand self-study course can be taken at your convenience, even before you are approved to sit for the CPA exam.

The regular price for the AICPA ethics exam is \$169 but with your Illinois CPA Society membership, you can purchase it for only \$99. We order the exam at a discounted rate and pass the savings along to you!

Once your order is processed, you will receive an email from the Society with a code to access the course online through the AICPA's website.
