In supporting the Illinois CPA Society’s mission of “enhancing the value of the CPA profession,” and serving as a voice backing the Society’s broader initiatives, Insight Magazine and its family of publications aim to encourage and inspire Illinois’ accounting, business, and finance professionals to create positive change in their professional and personal lives and communities through relevant, meaningful, and insightful thought leadership, news, and information.

We focus on the people behind the numbers, how the numbers impact the people, and how the people impact the profession.
