Thank You!

“ It’s easy to feel isolated in my accounting classes. Participating in a program amongst other minority students with my same drive to succeed reinvigorated my dedication to complete my degree in accounting. I just needed to know I wasn’t alone – I can’t thank you enough. ”

Donors with a multi-year pledge are recognized for the full amount of their pledge in the first year and for their pledge installment amount paid in the remaining years of the pledge.

Every attempt was made to acknowledge all donors who have given during this period. If you note a discrepancy, please call 312.517.7656.

WE NEED YOUR HELP

Every year, we have more qualified candidates than awards to give. Your continued support, will help close that gap. Get involved and support our programs to ensure opportunities are possible for hundreds of future CPAs.
