“My dad was recently diagnosed with Alzheimer’s disease, naturally shifting my priorities a bit. The timing of this scholarship helped me focus to complete my master’s degree and study for my CPA exams. I’m forever grateful for your support.”

The CPA Endowment Fund of Illinois, the Illinois CPA Society’s charitable partner, would like to graciously thank our generous donors for their contributions and pledges throughout the past year. These individuals and organizations make a significant, life-changing impact on the lives of diverse and deserving future CPAs across the state.
