The CPA Endowment Fund of Illinois, the charitable partner of the Illinois CPA Society, graciously thanks our generous donors for their contributions and pledges throughout the past year. These individuals and organizations help make a significant, life-changing impact on the lives of diverse and deserving future CPAs across the state.

President’s Pavers (4.1.20 - 3.31.21)

Emelice Romo

“As a mother, student, and full-time employee, I work hard to make ends meet, and it can be a challenge to balance studying for the CPA exam among my other responsibilities. But your award has helped to lighten my load and, more importantly, your support has reinforced my determination to reach my goals and realize my dream of becoming a CPA.”

WE THANK YOU FOR PAVING THE WAY FOR FUTURE CPAs
“I’ve worked multiple jobs to support myself through college, at times feeling like completing my education wouldn’t be possible. But thanks to the support of donors like you, and your investment in my future, I’m inspired to work harder, finish my degree, and earn my CPA. The scholarships you help provide make a world of difference in paving the way for future CPAs like me.”
“The programs funded by your generosity have helped me grow tremendously over the past few years. They’ve assisted in developing my skills, building my network, and boosting my confidence, and have provided professional development opportunities that I wouldn’t otherwise have access to. Thank you for your kindness, which has provided me, and many others, with so many valuable resources that we need to succeed today.”
Your generous financial contributions and volunteered time and expertise are crucial to the sustainability and reach of our programs including:

- Academic Scholarships
- CPA Exam Awards
- Laptop Scholarships
- Mary T. Washington Wylie Internship Preparation Program
- Student Ambassador Program
- Virtual Internship(Job Fair)

Get involved today to help ensure future CPAs can realize your same success. Together, we can make a difference.
