The Illinois CPA Society's Governmental Report Review Task Force has adapted the Government Finance Officers Association's *General Purpose Checklist-New Financial Reporting Model* ©2001, 2006 & 2008 (designed for its Certificate of Achievement for Excellence in Financial Reporting Program; used with permission) for its own use in fulfilling its mission to improve governmental financial accounting and reporting by Illinois CPAs. This checklist incorporates all GASB standards through GASB Statement No. 64 – Derivative Instruments: Application of Hedge Accounting Termination Provisions and GASB Statement No. 70 – Accounting and Financial Reporting for Nonexchange Financial Guarantees.

This checklist was prepared by Committee member Tim Custis, CPA, a Principal with Gorenz & Associates, Ltd. in Peoria, Illinois. Please send comments and suggestions to tcustis@gorenzcpa.com. The Society would like to thank the current and former members of the Governmental Report Review Committee for their assistance and contributions to and this particular checklist.

This review consists of five stages: I. Overall cursory review (for order and completeness); II. Detailed statement and note review (page by page); III. The Independent Auditors' Report; IV. Wrap-up or general questions, based on I thru III, is the report complete and correct? And V – Third Review – Overall Evaluation.

STAGE III – THE INDEPENDENT AUDITORS’ REPORT

In general refer to AU-C* 700 – Forming an Opinion and Reporting on Financial Statements. This section contains “AU -C” section numbers instead of “AU” section numbers. As part of the clarification of the SASs, the AU section numbers as designated by SAS Nos. 1—121 were recodified and “AU -C” was selected as an identifier in order to avoid confusion with references to superseded “AU” sections. Superseded “AU” sections were deleted from AICPA Professional Standards in December 2013, by which time substantially all engagements for which the “AU” sections were still effective were expected to be completed.
