GOVERNMENTAL REPORT REVIEW PROGRAM
2018 REVIEW SESSION CHECK LIST FOR
AUDITS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

Your Name _____ Report # _____

INTRODUCTION

Since this Government Auditing Standards/Single Audit Check List has been developed as a supplement to the regular financial review checklists, the reviewer will probably already have used the set of Instructions for Completing the Review and will have completed Sections I-IV of a regular checklist. The plan for review using Section VII-X below is the same as for Sections I-IV. It involves first, second, third and committee member reviews as described in the regular Instructions. The reviewer should refer to the relevant part of those Instructions. At the point of the Second Review, and thereafter, where the reference is to Form 2-1, a "Summary of 'no' Answers", the appropriate form for Section VII-X is Form 2-3. Instructions for completing it and reviewing it are the same as for Form 2-1 except it does not have the feature of letter coded questions.

Now, answer the questions in Section VII and Sections VIII-X, if applicable, and turn in the completed checklist (and Form 2-3) at the same time you turn in the regular checklist.

ADDITIONAL REPORTING FOR AUDITS CONDUCTED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

If the audit was performed in accordance with *Government Auditing Standards*, auditors are required to report on the scope of their testing of compliance with laws and regulations and to present the results of those tests. Also, under those standards, auditors are required to describe the scope of their testing of internal control and to present the results of those tests. AICPA Statement of Position 98-3 recommends that this reporting be combined in one report.

The following questions in this section refer to the Independent Auditor's Report on the Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*.

900 Is there a title which indicates the nature of the report and includes the word independent? (AU-C 935.30 a.) yes no

901 Is the report properly addressed? (AU-C 935.30 b.) yes no

Does the report contain the following elements?

902 Is there a statement that the auditor has audited the financial statements and a reference to the auditors' report on the audited financial statements, including a description of any departure from the standard report? yes no

SECTION IX

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND RELATED REPORTING

If the audit was performed in accordance with the Uniform Guidance, supplementary information to the audited financial statements should include a schedule of expenditures of Federal awards.

This section addresses the minimum requirements of the schedule of expenditures of Federal awards as required by the Uniform Guidance and the related reporting requirements in accordance with AICPA Statement of Position 98-3. While not required by the Uniform Guidance, the auditee may choose to provide additional information requested by Federal awarding agencies and pass-through entities (for example, the Illinois State Board of Education) to make the schedule easier to use.

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Does the schedule of expenditures of Federal awards contain a minimum of the following:

Report Preparer Question:

- | | | |
|-----|---|------------|
| | Does the schedule include all federal award programs for the period covered by the financial statements? | yes no |
| 973 | Does the schedule list all Federal programs individually by Federal agency, including loan balances and loan guarantees? | yes no |
| 974 | Are the individual Federal programs within a cluster of programs listed individually? | yes no n/a |
| 975 | For Federal awards received as a sub recipient, is the name of the pass-through entity and identifying number assigned by the pass-through entity included? | yes no n/a |
| 976 | Does the schedule provide total Federal awards expended for each individual Federal program and the CFDA number or other identifying number when the CFDA information is not available? | yes no |
| 977 | Does the schedule include notes that describe the significant accounting policies used in preparing the schedule, including if a de minimus cost rate was used, or not? | yes no |
| 978 | Do pass-through entities identify in the schedule the total amount provided to sub recipients from each Federal program? | yes no n/a |

Report preparer question:

Is the value of the Federal awards expended in the form of non cash assistance such as commodities, the amount of insurance in effect during the year, and loans or loan guarantees included on the schedule? (The Uniform Guidance requires this information to be presented on the face of the schedule rather than the notes).

REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

AICPA Statement of Position 98-3 recommends that the auditor report on the schedule of expenditures of Federal awards in the report on the basic financial statements. However, some entities do not present the schedule with the financial statements (that is, a separate single audit package is issued). In such circumstances only, the required reporting on the schedule may be incorporated in the report issued to meet the requirements of the Uniform Guidance (see Section VII). In either case, SAS No. 29 also permits a separate report.

Locate the auditor's report on the schedule of expenditures of Federal awards in either the auditor's report on the basic financial statements, in the report on compliance with requirements applicable to each major program and on internal control over compliance in accordance with the Uniform Guidance, or in a separate report. **If it is included in the opinion on the basic financial statements skip to Section X. If it is a separate report, answer the following questions:**

Does the auditor's report on the schedule of expenditures of federal awards (schedule) include the following:

- | | | |
|-----|--|------------|
| 980 | If the report is presented as a separate report or included in the Uniform Guidance report, is there an introductory sentence stating the auditor audited the basic financial statements of the auditee as of and for the year ended [date], and has issued their report thereon dated [date]? | yes no n/a |
| 981 | Is there a statement that the audit has been made for the purpose of forming an opinion on the basic financial statements? (If the report on the basic financial statements disclaims an opinion, this statement should refer to the audit the auditor was engaged to conduct.) | yes no |
| 982 | Is there a statement identifying the schedule of expenditures of Federal awards? | yes no |
| 983 | Is there a statement that the schedule of expenditures of Federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements? | yes no |
| 984 | When applicable, is there an opinion on whether the schedule is fairly stated in all material respects in relation to the basic financial statements taken as a whole? | yes no n/a |
| 985 | When applicable, is there a statement briefly describing the departure (which refers to the explanation in the auditor's report on the financial statements) and an opinion qualified for a departure from GAAP (or OCBOA) using "except for" language? | yes no n/a |
| 986 | When applicable, is there a statement briefly describing the scope limitation (which refers to the explanation in the auditor's report on the financial statements) and an opinion qualified for a scope limitation using "except for the effect of such adjustments, if any, as might have been determined to be necessary, had we been able to" or similar language? | yes no n/a |

- 987 When applicable, is there a statement briefly describing the scope limitation (which refers to the paragraph in the report on the basic financial statements that describes the reason) and a disclaimer of opinion on the schedule? (Note: A disclaimer of opinion on the schedule is appropriate when relevant audit procedures were not applied to the information included in the schedule. However, while permitted by professional standards, a report with a disclaimer imposed by the entity being audited (that is, a disclaimer that can be removed by the auditor performing the necessary procedures) does not meet the single audit requirements.) yes no n/a
- 988 If the Schedule of Federal Awards presents prior year information, has the auditor indicated his/their responsibility in the "Other Matters" section for such comparative information, or that it was previously audited by another auditor? (AU-C 700.46 - .54) yes no n/a
- 989 Is there a statement that the report is intended for the information of the audit committee, management, (other specific users, such as ISBE), and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties? yes no n/a
- 990 Does the report contain the manual or printed signature of the auditor's firm? yes no
- 991 Is the report dated? yes no
- 992 If there are any other deficiencies with the Report on the Schedule of Federal Awards, please answer this question no and explain below.
No n/a
